## WORLD MISSION SUNDAY

**October 19, 2014**

Next weekend our Parish will celebrate World Mission Sunday. This year we are invited to reach out and help missionaries working in local churches as well as the ones working at the most remote areas across the world. Through the work of these churches, and their witness to Christ, the poor receive practical help and experience God's love and mercy, His hope and peace.

In a world where so much divides us, World Mission Sunday rejoices in our unity as missionaries and it provides an opportunity to support the life-giving presence of the Church among the poor and suffering. Please keep the Missions in your daily prayers and next Sunday give generously in the collection for the Society for the Propagation of Faith. Our support is vital to their work.
